Asterisks (*) appearing after names of flowers indicate that these flowers have won one or more prizes in Garden Club or Horticultural Society shows. The preceding list contains slightly more than 600 flowers, of which 293 have won such prizes.

Considering the large number of listings, it is understandable that supplies of certain varieties are limited. It is to your advantage to send us your bulb order at your very earliest convenience as orders are filled on a "first come, first served" basis. Shipments will be made to arrive at approximately the time you designate.
